# FIRST 2026 CHAMPIONSHIP

PRESENTED BY **BAE SYSTEMS**

## Welcome

Thank you for volunteering at the 2026 *FIRST*® Championship presented by BAE Systems. *FIRST* volunteers are a vital part of our global robotics community and support events around the globe annually, preparing young people for their future. *FIRST* competitions are exciting events that leave students with a sense of accomplishment and the understanding that they can do anything with their collective skills, leadership, and confidence. We are excited and grateful for you to be a part of our 2026 *FIRST* Championship experience!

## Introduction to *FIRST* Championship presented by BAE Systems

The 2026 *FIRST* Championship will join thousands of students for the ultimate celebration of STEM (science, technology, engineering, and math) and innovation. In this 2025-2026 season, *FIRST*® AGE™ presented by Qualcomm, every artifact we uncover holds a story. Each tool, each innovation, and each work of art connects us to the people and ideas that came before us. Using STEM skills and teamwork, today we can dig deeper into discoveries than ever before.

Remembering our *Gracious Professionalism*®

“*Gracious professionalism* is part of pursuing a meaningful life.” – Woodie Flowers

- A way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community.
- Gracious professionals learn and compete like crazy but treat one another with respect and kindness in the process.

## Pre-Event Role-Specific Information - Volunteer Coordinators

Your volunteer coordinator is your go-to resource for anything related to your volunteer position. When you are assigned a volunteer role, you will receive an email before the event from your volunteer coordinator with the contact information and details about your volunteer role. You can message your volunteer coordinator before the event through your *FIRST* dashboard at <https://my.firstinspires.org/Dashboard/>.

Under Pending Applications in the Volunteer Registration tab in your *FIRST* dashboard, find the Role Options button and select "Message Coordinator" from the drop-down menu. This option is also available under your Assigned Event Roles. (See screenshots below.)

For *FIRST* Robotics Competition, you can email [frc-global-vcs@firstinspires.org](mailto:frc-global-vcs@firstinspires.org). For *FIRST* LEGO League and *FIRST* Tech Challenge, your volunteer coordinator's email will be in your volunteer assignment email.

The screenshot shows the FIRST dashboard interface. At the top, there are navigation links for Programs, Community, Ways to Help, and About. The user is logged in as Jane Smith. The main navigation bar includes MY TEAMS, PARENT/GUARDIAN - YOUTH, VOLUNTEER REGISTRATION (highlighted), and MY CLASS/SCHOOL PACK ACCOUNT. Below this are buttons for EVENT VOLUNTEERING, WORK WITH A TEAM, GIVE TO FIRST MISSION, and LOG VOLUNTEER HOURS. The 'Pending Applications' section is expanded to show a pending application for the 'NE District Southern NH Event Qualifying Event - FRC'. The application details are as follows:

- Free parking options are limited. This lot's availability is first come, first served. Parking may fill up quickly in the morning.
- You may park in any available open spot in the lot.

- Other than parking permission the pass is also important so that volunteers can circumvent the lanes being utilized by teams for the load in and load.
- Do not park along the loading docks.
- Do not park trailers in the Volunteer Parking lot, this takes additional parking spaces away from other volunteers. Trailers are NOT permitted in this lot.
- Buses are NOT permitted in this parking lot.
- Information on these additional paid parking options will also be provided on <https://www.firstchampionship.org> closer to the event.

Alternate parking is available in other locations around the GRB and in the downtown area. Prices are subject to change. More information on the [Houston Downtown parking webpage](#).
