Safety Plan

We are continuing to monitor local public health conditions and are developing plans on how to best support FIRST events across all programs for the 2022 – 2023 Season. This includes the ability to implement modifications such as the use of masks, health screening, event scaling, social distancing, event formatting, and other precautions as determined by local conditions and regulations. Please visit <https://cafirst.org/frc/sanfrancisco/#team-resources-link> for the latest information and updates.

Site Restrictions:
