

Drive Base Opt-Out: How To

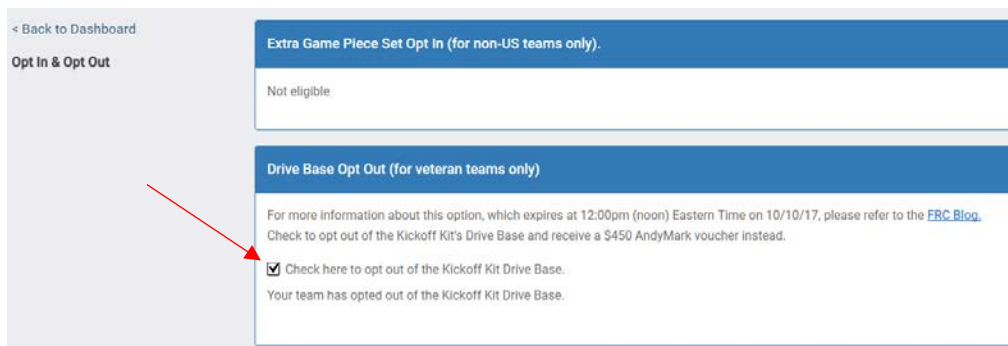

To accommodate drive base kit production lead times, this option is only available from noon (Eastern) on Monday, October 1, 2018 until noon (Eastern) on Tuesday, October 9, 2018.

In order to opt-out, a Lead Mentor 1 or 2 must do the following:

1. Log into your www.firstinspires.org account.
2. Click the team for which you're selecting.
3. Under the "Payment & Product" drop down on the "Team Options" tab, select "Drive Base Opt Out."

4. Check the box if you wish to opt out.

5. BOOM you are done (it auto-saves).

If, after you select the opt out (but before the deadline), your team changes their mind about their selection, you can change your selection.
