Teams design, build, and program robots, develop strategy, and engage in thrilling, head-to-head competition.

Teams compete with 125-pound robots, combining the excitement of sport with the rigors of science and technology.

Ages 4-16 | Grades PreK-8
Students engage in hands-on STEM experiences, building habits of learning, confidence, and teamwork skills along the way.

Ages 12-18 | Grades 7-12
Teams design, build, and program robots, develop strategy, and engage in thrilling, head-to-head competition.

Ages 14-18 | Grades 9-12
Teams compete with 125-pound robots, combining the excitement of sport with the rigors of science and technology.

FIRST® is the world’s leading youth-serving nonprofit advancing STEM education. Through a suite of inclusive, team-based robotics programs for ages 4-18 and backed by a global network of mentors, coaches, volunteers, alumni, and sponsors, FIRST has a proven impact on learning, interest, and skill-building inside and outside of the classroom. For over 30 years, students from all walks of life have developed self-confidence in STEM and valuable, real-world skills through FIRST that open pathways to a better future.
THREE ESSENTIAL PARTS

EXPLORE

1. Explore the annual theme at home or in their community, researching ways to solve a real-world problem.

CREATE & TEST

2. Create & test a Team Model using LEGO Education SPIKE Essential to show their ideas.

SHARE

3. Share what they learn through a Team Model and a team poster.

"We want to change the culture by celebrating the mind. We need to show kids that it’s more fun to design and create a video game than it is to play one."

— DEAN KAMEN, FOUNDER, FIRST

ABOUT FIRST® LEGO® LEAGUE

EXPLORER

In Explore, teams of students ages 6-10 focus on the fundamentals of engineering as they explore real-world problems, learn to design and code, and create unique solutions made with LEGO® bricks and powered by the LEGO® Education SPIKE™ Essential.

GET INVOLVED!

EMAIL

fllexplore@firstinspires.org

“Beyond tapping into my son’s imagination, FIRST LEGO League Explore helped him learn how to take an idea, think it through, and then share it with others – all in a fun, collaborative way.”

— LORRAINE FERLAND, PARENT

FIRST CORE VALUES

We express the FIRST philosophies of Gracious Professionalism® and Coopertition® through FIRST Core Values:

- **Discovery**: We explore new skills and ideas.
- **Innovation**: We use creativity and persistence to solve problems.
- **Impact**: We apply what we learn to improve our world.
- **Inclusion**: We respect each other and embrace our differences.
- **Teamwork**: We are stronger when we work together.
- **Fun**: We enjoy and celebrate what we do!
