Start a Team

**FIRST® LEGO® League Challenge** teams of children ages 9-16 engage in research, problem solving, coding, and engineering – building and programming a LEGO Education SPIKE™ Prime or LEGO MINDSTORMS® robot that navigates the missions of a robot game. They also design an innovative solution to a real-world problem relevant to the theme. *Ages vary by country*

1. **CONTACT US**
   - www.firstinspires.org/fll-challenge-get-started
   - 800-871-8326
   - flchallenge@firstinspires.org

2. **BUILD YOUR TEAM**
   - Up to 10 team members
   - At least 2 adult coaches**
   - Meeting space

   **Team coaches must complete Youth Protection Screening**

3. **REGISTER**
   - Visit www.firstinspires.org/register to create your **FIRST®** account, set up your new team profile, and purchase your season registration and necessary materials.

4. **WORK AS A TEAM**
   - Design, build, and program autonomous robots.
   - Research and design a solution to solve a real-world problem.

5. **REGISTER FOR AN EVENT**
   - Present your robot design and solution, and compete against the clock to complete robot missions in celebration with other teams at official **FIRST** events, which may include physical, remote, or a combination of physical and remote elements.

### FIRST is a robotics community that prepares young people for the future.

FIRST is the world’s leading youth-serving nonprofit advancing STEM education. Through a suite of inclusive, team-based robotics programs for ages 4-18, FIRST has a proven impact on learning, interest, and skill-building inside and outside of the classroom, creating the people who will change the world – today and tomorrow.

FIRST® LEGO® League is the result of an exciting alliance between FIRST® and the LEGO® Group.
