

**Consent and Release of Rights**

Thank you for preparing a video for submission with your Chairman’s Award entry.

FIRST needs permission from your team so that FIRST may show the video at the event and potentially on FIRST’s web site or for other purposes to promote FIRST. To use it, we need permission from your team and in particular, need to know that parents have consented to use of their child’s name and likeness in the video if we are to show it to the public. You should have received this parental permission when team members signed the general consents.
