2021 Equity & Access Grant Impact Report

Questions and Submission:
How did your Equity Action Plan work? Did your team complete the planned activities?

What was the biggest surprise/challenge your team faced while working through your Equity Access Plan?

Upload an expenditure report that shows how your team used the provided funds. How did that compare to your team’s submitted plan?

What were some of the key takeaways that your team discovered upon completion of the Inspiring Success Training and Youth Voice Training?

Describe some of the most memorable or potentially impactful moments your team experienced while working through your Equity Action Plan?

How does your team plan to continue to be successful at increasing the female or underserved population participation in STEM?

What advice would your team provide other teams interested in getting involved in this kind of community impact work?
