

2017 – 2018 Kit of Part Options

Teams can order their Robot supplies in the Team Registration portal via the *FIRST* Tech Challenge Storefront. Registration is automatically added to your Cart. You are able to enter the Storefront multiple times and purchase up to one item from each category. Awarded *FIRST* grants will appear in the Storefront and automatically deduct from the final total. **If you do not see a grant that you were expecting, please DO NOT check out.** Please check again in a few days.

The chart below details each of the *FIRST* Tech Challenge Storefront Kit of Parts options and what is included:
