Volunteer Thank You

Thank you for taking the time to volunteer for a FIRST® Tech Challenge event. FIRST® and FIRST® Tech Challenge rely heavily on volunteers to ensure events run smoothly and are a fun experience for teams and their families, which could not happen without people like you. With over 6,500 teams competing yearly, your dedication and commitment are essential to the success of each event and the FIRST® Tech Challenge program. Thank you for your time and effort in supporting the mission of FIRST®!

Gracious Professionalism® - "Doing your best work while treating others with respect and kindness - It's what makes FIRST, first."
**Introduction**

*What is FIRST® Tech Challenge?*

*FIRST®* Tech Challenge is a student-centered program that focuses on giving students a unique and stimulating experience. Each year, teams engage in a new game where they design, build, test, and program autonomous and driver operated robots that must perform a series of tasks. To learn more about *FIRST®* Tech Challenge and other *FIRST®* Programs, visit [www.firstinspires.org](http://www.firstinspires.org).

*Gracious Professionalism®*

*FIRST®* uses this term to describe our programs’ intent.

*Gracious Professionalism®* is a way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community.

Watch Dr. Woodie Flowers explain *Gracious Professionalism* in this [short video](http://shortvideo.com).

Learn more about the roles of volunteers on our [Volunteer Resources page](http://volunteerresources.com), “Volunteer Role Descriptions”.

**FIRST Privacy Policy**

*FIRST* takes the privacy of our community seriously. As a nonprofit and a mission-driven youth-serving organization, we are compelled to understand who we are serving, how our programs are performing, and make improvements so that we can achieve our goals of making *FIRST* accessible to any youth who wants to be part of the fun, exciting and life-changing experience. Thus, we need to collect certain personal data from participants and volunteers to ensure we are meeting our goals and responsibilities as a youth-serving nonprofit organization.

As a volunteer, you may be asked to handle the personal data, or personally identifiable information (PII), of coaches, team members, and even other volunteers. It is critical that you understand and follow the *FIRST Privacy Policy* and complete any data protection and privacy training required by your role. If you have any questions regarding data protection and privacy, please reach out to the *FIRST* Data Governance Team at privacy@firstinspires.org.

**Volunteer General Information**

**Volunteer Training and Certification**

*To Access BlueVolt and Complete a Volunteer Role Training Course:*  
Once you have applied for a volunteer role that requires certification a link will appear in your *FIRST* dashboard that will connect you to our learning management system BlueVolt.

1. Login to your *FIRST* Dashboard  
2. On the grey menu below "Dashboard" Click on “Volunteer Registration”  
3. Click on “Roles Missing Certification”  
   a. Click into the link to “Review Outstanding Tasks” which will take you to the BlueVolt site where you can complete your certifications and sign up for new training

**How to Access BlueVolt After Certifications are Complete:**  
Once you complete your certifications, you will no longer see a “Roles Missing Certification” link or a link to “Review outstanding Tasks” to get to BlueVolt. If that is the case, follow the steps below to access BlueVolt courses and updates.

1. Login to your *FIRST* Dashboard  
2. At the top right of the page, click on the dropdown under your name and go to “My Profile”  
3. Once there, on the left menu of the page, click on the “Certifications” link which will take you to the BlueVolt site where you can view/print your existing certifications and sign up for new training

If you have applied for a role but do not see the link to training in your dashboard, or you have other training related questions please email FTCTrainingSupport@firstinspires.org.

**Volunteer Minimum Age Requirement**  
The minimum age requirement of a *FIRST* volunteer is 13 years old.

A minor must have a parent or guardian give written permission to volunteer. In addition, the *FIRST* Consent and Release Forms will need to be signed by a parent or guardian in the Volunteer Registration system for any volunteer under age 18.

**Bring a Friend!**  
Volunteers are a huge part of the *FIRST* Tech Challenge Program and continuing to inspire students to seek out careers in science, technology, engineering, and math (STEM). *FIRST* Tech Challenge needs your help in recruiting new volunteers to keep our programs thriving for future generations! If you have a friend or co-worker

Gracious Professionalism® - “Doing your best work while treating others with respect and kindness - It’s what makes *FIRST*, first.”
you think would be interested in volunteering at an event, there are just a few easy steps to help get them involved!

1. Check out our full list of volunteer opportunities online!
2. Have them apply for the Event in the Volunteer Registration System. Volunteers must be screened before volunteering.
3. Have them contact Firsttechchallenge@firstinspires.org with any questions they may have.

If they are concerned about jumping in head first, no worries! Job shadowing at a FIRST Tech Challenge Event is a great way to get a taste of what a full day’s worth of competition looks like. New volunteers can discover ways they can fit their personal skills into a volunteer position!

Job Description

The Dean’s List reviewer role is to read all the student nomination essays, along with the Dean’s List interviewer feedback. Using the Dean’s List Award criteria, reviewers will determine which students will advance from the position of semi-finalist to finalist within their region.

- **Physical/Technical Requirements:**
  - Technical – Low
  - Physical – Low
  - Administrative – Medium
  - Communication – High

- **Proper Dress:**
  - Wear comfortable shoes, most of the day will be spent standing and walking between the pit area and the competition fields.
  - ANSI Z87.1 certified safety glasses are required in the competition area.

**Time Commitment**
A Dean’s List reviewers’ main role is to review nominations and interviewer notes, and then collectively (with at least one other Dean’s List reviewer) determine which semi-finalists will become finalists. The time commitment is approximately 2-4 hours, depending on the number of semi-finalists nominated in the region.

**FIRST** Dean’s List Award

**Award Overview**
In an effort to recognize the leadership and dedication of the most outstanding secondary school students from **FIRST**, the Kamen family sponsors awards for selected 10th or 11th grade* students known as the **FIRST** Robotics Competition and the **FIRST** Tech Challenge **FIRST** Dean’s List Award.

Similar to the very prestigious National Merit Scholarship Award, there are three (3) levels of **FIRST** Dean’s List Award students.

1. **FIRST Dean’s List Semi-finalists** – comprised of the two (2) students in their 10th or 11th school year* nominated by each team.
2. **FIRST Dean’s List Finalists** - The students selected for each Regional Championship.
3. **FIRST Dean’s List Winners** - comprised of the ten (10) FIRST Robotics Competition and ten (10) FIRST Tech Challenge students selected from the applicable FIRST Dean's List Finalists.

The students who earn FIRST Dean’s List status as a Semi-finalist, Finalist or Winner, are great examples of current student leaders who have led their teams and communities to increased awareness for FIRST and its mission while achieving personal technical expertise and accomplishment. It is the goal of FIRST that all Dean's List Semi-finalists, Finalists and Winners will continue, after high school, to stay engaged with FIRST as alumni.

Since its introduction in 2010, the FIRST Dean’s List Award has attracted the attention of prestigious colleges and universities who desire to have FIRST Dean’s List students apply for admissions. Additionally, in 2019, the Woodie Flowers Memorial Grant was established for Dean’s List Award Winners pursuing STEAM fields of study. *NOTE:* For regions of the world that do not use grade levels such as this to identify years of schooling: This award is intended for students who are two (2) to three (3) years away from entering college or university. Students that would be attending college or university in the next academic year are not eligible. Mentors will be asked for the year of graduation during the nomination process.

**Student Eligibility**

Every registered FIRST Tech Challenge team can submit up to two (2) students as FIRST Dean’s List Award semi-finalists.

- Students must be a sophomore (grade 10) or junior (grade 11) to be eligible for this award.
  - Note: For regions of the world that do not use grade levels such as this to identify years of schooling: This award is intended for students who are two (2) to three (3) years away from entering college or university. Students that would be attending college or university in the next academic year are not eligible. Mentors will be asked for the year of graduation during the nomination process.

- The coach or mentor nominating the student(s) must submit an essay explaining why the student should receive this award. The essay must be 4,000 characters or less.

**Criteria**

Criteria for selection of the FIRST Dean’s List shall include, but not be limited to a student's:

- Demonstrated leadership and commitment to FIRST Core Values
- Effectiveness at increasing awareness of FIRST in their school and community
- Interest in and passion for a long-term commitment to FIRST
- Overall individual contribution to their team
- Technical expertise and passion
- Entrepreneurship and creativity
- Ability to motivate and lead fellow team members

*Gracious Professionalism*® - “Doing your best work while treating others with respect and kindness - It’s what makes FIRST, first.”
### Dean’s List Award Evaluation Structure

The chart below is a visual aid to show how each category feeds into specific levels of competition, starting with the coach making the nominations. Dean’s List interviewers are responsible for interviewing semi-finalists (nominees). Interviews are done either in person at a traditional event, or remotely (this will be region dependent, please check with your local program delivery partner). The Dean’s List reviewer will then review the nominations and interviewer notes within a state/region to determine which students will move to the next level as Dean’s List finalists. Depending upon the size of the region, there will be 2-4 Dean’s List finalists within each state or region (see Number of Advancing Finalists by Region for further details). These finalists will be announced at the Regional Championship Tournament. A separate panel will review the Dean’s List finalists and choose the 10 FIRST Tech Challenge Dean’s List winners.

![Dean’s List Award Evaluation Structure Diagram]

### Dean’s List Reviewer Role

**Role Overview**

The Dean’s List reviewers are responsible for selecting the Dean’s List Award finalists. There will be at least two reviewers in a State/Region that work together to determine the finalists for that State/Region. The reviewers must access the Dean’s List Award System to view the original nomination as well as the notes from the Dean’s List interviewers. Once all the nominations and notes have been considered, the reviewers are responsible for choosing the final student to be announced at the State/Region championship. Dean’s List reviewers do not need to be present at the event; rather they review each semi-finalist and enter the finalists in the Dean’s List Award System. This information will feed up to the state championship tournament director.

**Conflict of Interest**

Conflicts of interest should always be disclosed, either to the tournament director or program delivery partner. Volunteers serving in the role as a Dean’s List reviewer must not interview teams with whom they have a conflict of interest with. Some scenarios of conflict of interests:

- A coach/mentor is volunteering as a reviewer;
● A parent/relative of a team member is volunteering as a reviewer;
● An alumnus (student or adult) of a team is volunteering as a reviewer;
● A sponsor of a team is volunteering as a reviewer;

Having a conflict of Interest, or even the perception of a conflict of interest can impact a team’s experience, even if decisions that were made were not biased in any way. The perception of potential favoritism is enough to discourage a student, coach or mentor, and take away from their overall experience. Knowing what conflict of interest is, and how to avoid being in a position that could be a conflict will ensure all students feel they have been evaluated fairly.

Understanding Bias
We strongly encourage our Dean’s List volunteers to complete the Strategies for Inspiring Success for All modules on Schoology to develop a better understanding of invisible biases. While these resources are designed for coaches and mentors, the concepts can be applied to all volunteer roles.

Access the Nominations
Dean’s List reviewers are required to apply for this volunteer role through the dashboard on firstinspires.org. All reviewers are required to apply and complete YPP screening prior to accessing any student information.

Dean’s List Award nominations are posted on a private, password-protected site where only the interviewers, reviewers, and authorized FIRST staff can read the entries. The link to the system is below. Please see the Dean’s List Award System section of this manual for further instructions and features of the system.

Link to Dean’s List Award System: https://my.usfirst.org/ftc/dla/site.lasso?r=0941979&fuseaction=home.welcome

Reviewer Collaboration
There must always be at least two reviewers that will work together to read all the nominations and decide who the finalists will be. In some regions, a committee might be formed to review the nominations and to make final decisions. Reviewers should check with the program delivery partner in their region to determine if a committee has been formed to review nominations, or if they will need to collaborate with one other individual.

Reviewers can choose to either meet in person, or via conference call to discuss each semi-finalist in detail. It is most helpful for each reviewer to read the nominations prior to this meeting and have ideas of which candidates are the top contenders and why.

Review Timeline
Working together with the other assigned reviewer(s), plan to discuss the nominations approximately 2 weeks before the championship tournament. This will allow plenty of time to collaborate and decide which semi-finalists will be named Dean’s List finalists and provides time for the finalists to be communicated to the tournament director and/or program delivery partner.

Dean’s List Reviewers – Selecting Finalists

It can be a difficult task for the reviewers to determine which semi-finalists will move to the next level as finalists. The reviewer should always keep in mind the criteria when making their decisions. This section goes over some other items the reviewer should and should not consider when making their decision.

Essay nomination - New
New this season, the essay nomination that is submitted by the coach of the student is broken down into five prompts. The prompts ask the coaches to provide specific examples of how the student meets the award criteria. Each of the prompts has an 800-character limit.

Gracious Professionalism® - “Doing your best work while treating others with respect and kindness - It’s what makes FIRST, first.”
1. Explain how the student embodies the philosophies of *Gracious Professionalism* and Coopertition through the *FIRST* Core Values: Discovery, Innovation, Impact, Inclusion, Teamwork and Fun. Please provide examples.

2. How has the student increased the awareness of *FIRST*? Describe the student’s interest and/or plans to continue to engage with *FIRST* beyond high school. Please provide examples.

3. Describe the student's technical expertise, using specific examples in the areas of programming, electronics, design, fabrication, making, illustrating how these skills have contributed to the team’s success.

4. How does the students’ individual contributions to the team benefit the team as a whole in the areas of fundraising, outreach, entrepreneurship, and creativity? Please provide examples.

5. Explain the student’s leadership to their fellow team members. How to they motivate others? What is their leadership style? Please provide examples.

The goal is to ensure the information provided in the essay is relevant to the award criteria. This will help the Dean’s List volunteer when reviewing each nomination and eventually deciding which students will become finalists.

**FIRST Robotics Competition/FIRST Tech Challenge**

Both *FIRST* Robotics Competition and *FIRST* Tech Challenge are eligible to be nominated for the Dean’s List Award in their State/Region’s program. There is no rule that states a student cannot be nominated for both. Reviewers should focus on the student’s accomplishments in the program they have been nominated for, rather than disregarding a student that has been nominated for both programs.

**Individual Contributions**

Many essay nominations will outline team activities, but not necessarily discuss what the student’s individual contributions are to the activity. This is where the job of the interviewer is very important, and they have been instructed to include these types of notes to better assist the reviewer in making their final decisions.

Other questions a reviewer can ask themselves when making final decisions:

- Is the student a great ambassador for *FIRST*?
- Is the student a leader?
- Is this a student that will continue to be involved with *FIRST* and its mission in future years?
- How have they helped increase the awareness of *FIRST*?

**Dean’s List Evaluation of GPA**

Dean’s List nominations require that a coach/mentor enter the student’s GPA, with a brief explanation of how the GPA is determined as part of the particular school system. The GPA allows an interviewer or reviewer to identify students who present a good balance of both academics and *FIRST* core values. When evaluating a student, the GPA should be used as a tool, but not the deciding factor if a determination needs to be made between a short list of students.
Number of Advancing Finalists by Region

The number of semi-finalists that will move onto the next level as finalists depends upon the region. Regions with larger team numbers will have additional spots to advance students. Below outlines the number of advancing finalists by region:

### North America

Appendix B – Dean’s List Award: Helpful Terms

These terms are intended to assist mentors in writing the nomination essays and for students to use during the interview. The use of these terms is not a requirement for submitting a nomination.

- Dean’s List Semi-finalists – Comprised of the two (2) students in their 10th or 11th school year* nominated by each team
- Dean’s List Finalists – The students selected at each FIRST Tech Challenge Regional Championship or FIRST Robotics Competition Regional and District Region.
- Dean’s List Winners - Comprised of the ten (10) FIRST Robotics Competition and ten (10) FIRST Tech Challenge students selected from the applicable FIRST Dean’s List Finalists.
- Leadership titles:
  - Captain - a top-level position of responsibility over the team.
    - Teams with a flat leadership structure may have captains that cover specific areas, while making larger decisions as a group with no defined leader
    - Teams with a structured leadership would have one or more captains with multiple leads working under them to lead smaller team areas.
  - Lead - A leadership position over a specific area of responsibility and should include a "team area" below.
    - Either of the above can be preceded by "co-" to indicate they shared that responsibility with one or more individuals.
- Team Areas
  - Marketing - responsible for items like team branding, newsletters, website, etc.
  - Awards - responsible for working on award submissions or pit presenting preparation
  - Finance - responsible for fundraising, grant writing, and sponsor relationships
  - Outreach - responsible for organizing and leading demonstrations and events not tied to competitions
  - Drive Team/Scouting/Strategy - responsible for guiding the team's strategy, representing the team at competitions, and collecting data on the performance of other teams
  - Mechanical - responsible for the mechanical design and build of the robot
    - CAD can be included as a separate lead position, or included alongside mechanical
  - Electrical - responsible for the electrical design and build of the robot, including any sensors or custom circuits
  - Programming - responsible for programming the robot
  - Any team area that falls outside of the areas listed above should be detailed to provide the judges with appropriate context.
- Action-specific words:
  - Mentored – the student advises or trains, either in person or via phone/email/video conference, another team or team member, helping with technical or non-technical FIRST program specific issues.
  - Lead - the student leads an event if they are responsible for planning and execution. Can be preceded with "co-" to indicate a shared responsibility
    - Planned - worked on the planning of the event, but did not lead the execution
    - Executed - responsible for the execution of the event - onsite leader throughout the event
  - Conceived - Indicates the student introduced the initial concept
  - Helped/Assisted - Indicates the student had significant impact or participation, without being a leader in that situation
