Appendix B – Field Details

Note: The dimensions in the following diagrams are nominal dimensions, actual dimensions will vary slightly for each Field. Robots should be designed to accommodate this variability.

Figure B-1 Skybridge

Figure B-2 Building Site
Figure B-3 *Foundation* Starting Position

Figure B-4 *Skybridge* Tape

Figure B-5 *Depot*
Figure B-6 Quarry Setup

Figure B-7 Location of Navigation Target (as seen from Outside the Field)

The exact locations of the Navigation Target are shown in the Field Setup Guide.

Figure B-8 Navigation Target (as seen from Inside the Field)
Figure B-9 Skybridge Images (as seen from Inside the Field)
