

Appendix B – Field Details

Note: The dimensions in the following diagrams are nominal dimensions, actual dimensions will vary slightly for each *Field*. Robots should be designed to accommodate this variability.

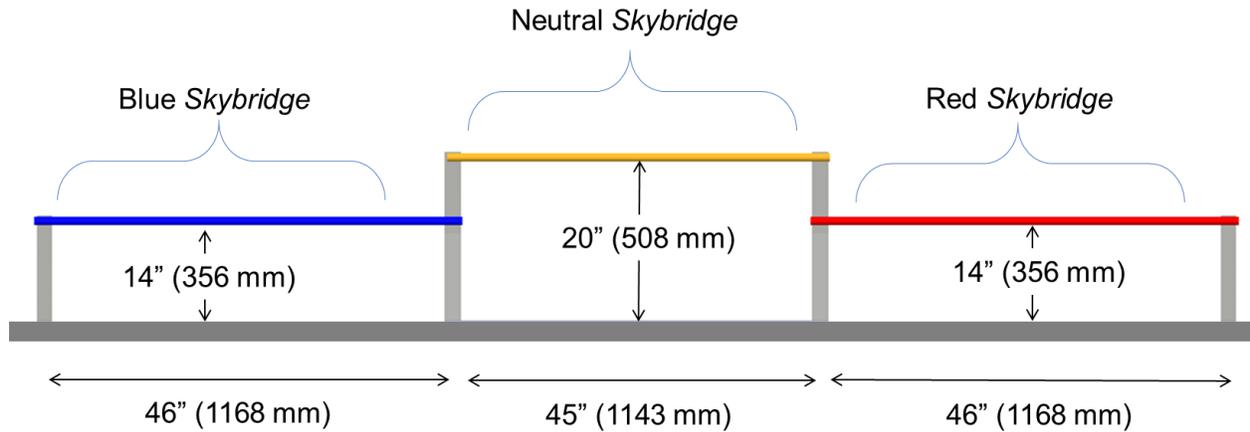

Figure B-1 Skybridge

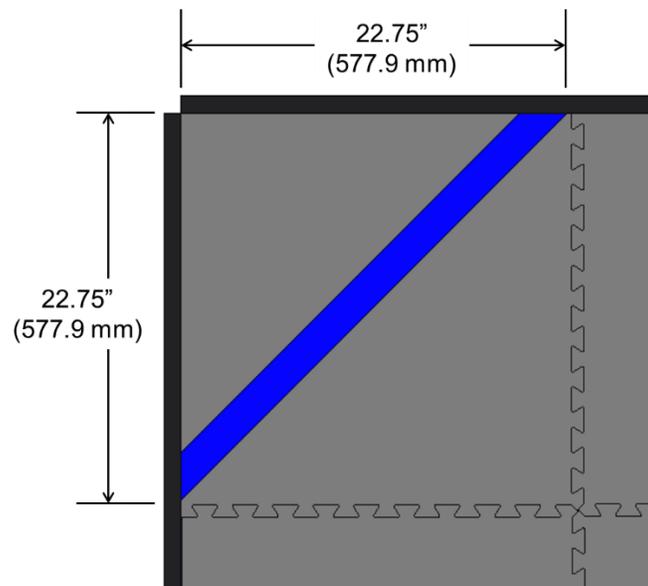

Figure B-2 Building Site

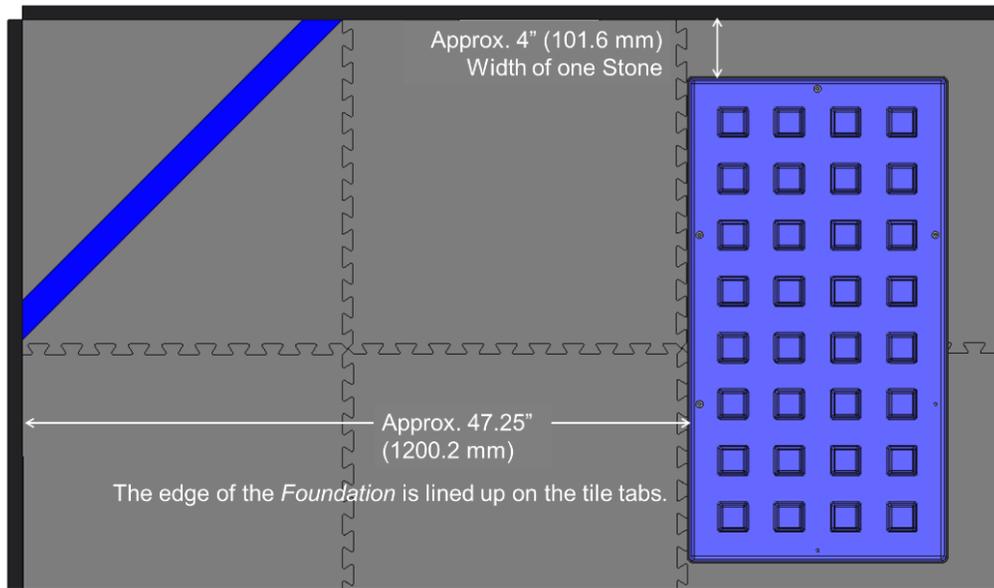

Figure B-3 Foundation Starting Position

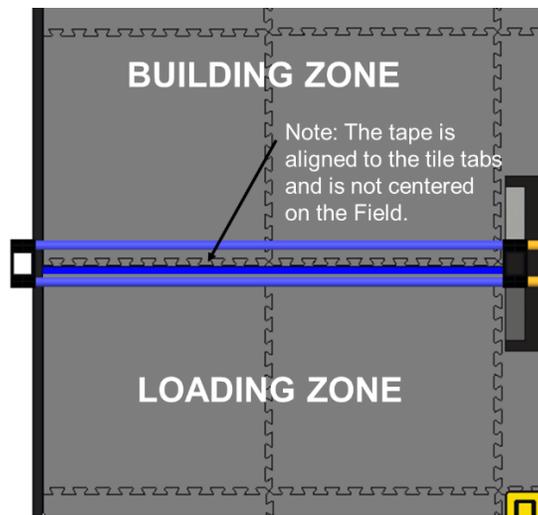

Figure B-4 Skybridge Tape

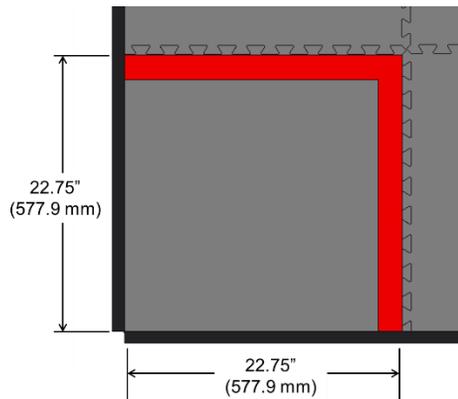

Figure B-5 Depot

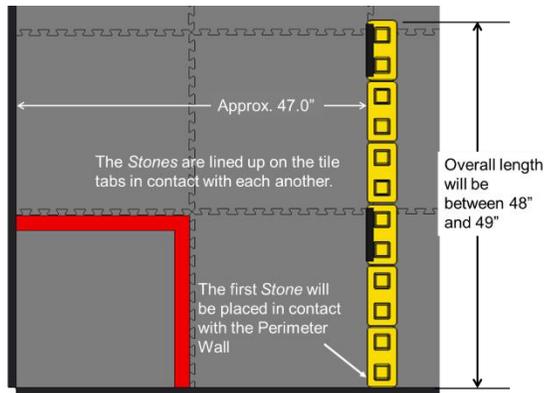

Figure B-6 Quarry Setup

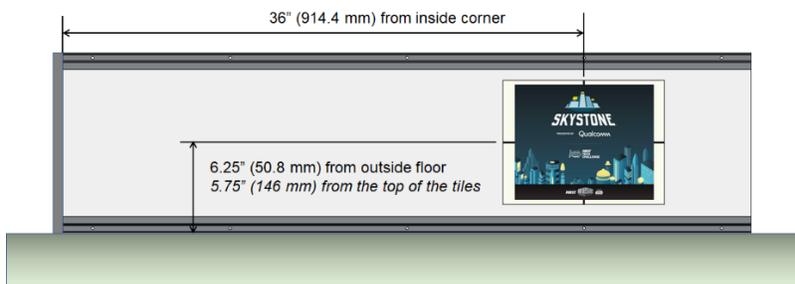

Figure B-7 Location of *Navigation Target* (as seen from Outside the Field)

The exact locations of the Navigation Target are shown in the Field Setup Guide.

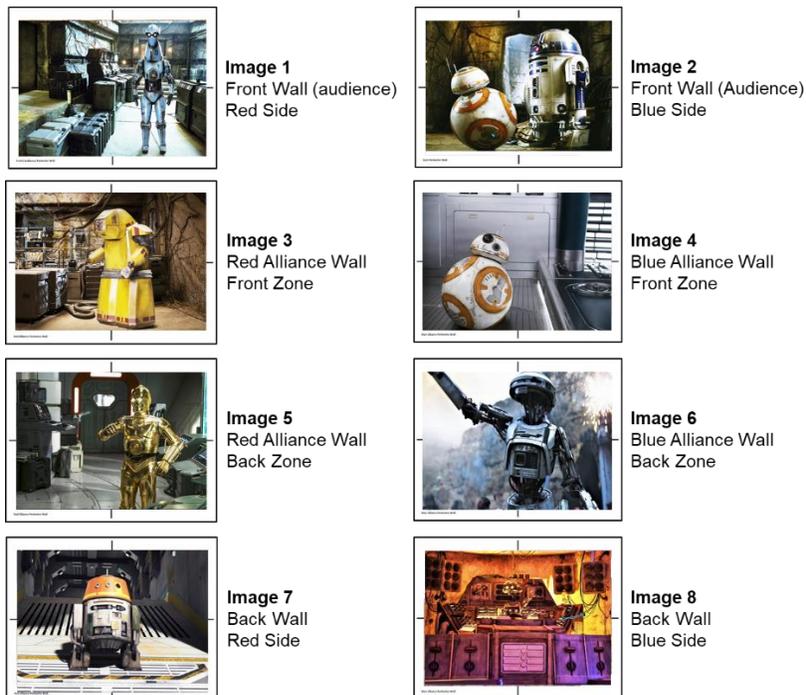

Figure B-8 *Navigation Target* (as seen from Inside the Field)

Figure B-9 Skybridge Images (as seen from Inside the Field)

Figure B-10 Skystone Image

***Do not print the images from this manual for practice purposes, as they are not to the same scale as Teams will see in actual competition. Please refer to the [website](#) for printable versions of these images.**
