

Instructions for Making Alliance Flags

The specifications for the recommended, regulation flags are below

- The flag tube dimensions are .250" OD x .200" ID x 8.250" length with a triangular flag 4.000" high x 6.000" wide.
- For full details please refer to the following diagram.

We suggest that you make 10 red flags and 10 blue flags for each competition field at your event.
