Skybridge Navigation Targets with Printing Instructions

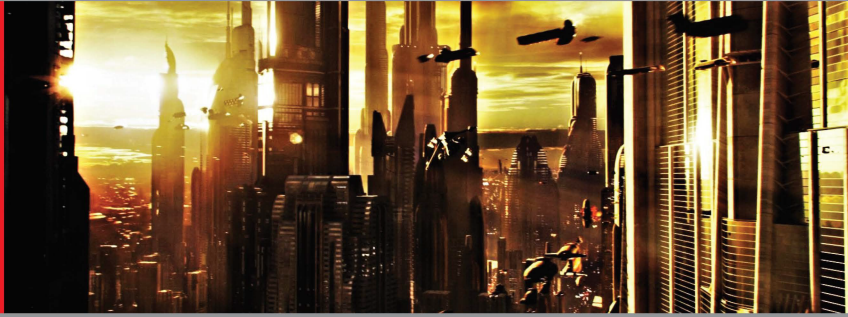

The Navigation Targets in this document are used for the Skybridge. Please read instructions prior to printing Navigation Targets

Navigation Target Instructions

1. Print this set of Navigation Targets on **Legal** 8.5” x 14” paper. If printed on 8.5 x 11 or A4 paper, images will truncate. This is okay as long as the images are not scaled and printed to actual size (see below). The full red or blue border will be cut off.
2. **DO NOT** scale any of the images when printing.
3. If prompted when printing the PDF, choose the option “Actual Size”
 - a. If the image still scales, please check your printer settings.
4. For official placement please see the [Field Setup Guide](#).
