How do I use my Grant?

If you have a Registration and/or Product grant, these grants will show up in the Storefront and be applied directly to your purchase at Checkout. These grants are not available to be used outside the Storefront but can be used across multiple purchases until all funds (or items) have been utilized/purchased.

NOTE: Product grants can be applied to shipping costs as well.

Unrestricted grants need to follow the Regranting Process: http://www.firstinspires.org/robotics/regranting-process-procedures-and-w-9

FIRST receives grants from various Donors (Grantors) which are designated to FIRST participating teams. These are restricted donations with designations as defined and imposed on FIRST by the Grantor(s). Should FIRST receive a grant designated to your team, FIRST will “re-grant” the funds to your teams as a “pass through” grant with no deductions for overhead or processing costs. 100% of the designated funds will be re-granted provided that the Team (Grantee) follows the guidelines listed below.

The following guidelines are followed when processing a regrant for a team:

1. The regrant must be a minimum of $500 for FIRST® LEGO® League Jr./ FIRST® LEGO® League / FIRSTTech Challenge and $1,000 for FIRST® Robotics Competition
2. FIRST receives the Grantor’s donation and designation in writing. FIRST applies the amount needed to satisfy the open payment of the team’s registration fee before any regrant can be issued.
3. Any additional funds, above the team’s registration fee (some restrictions may apply) can be regranted to the team.
4. The Grantee initiates the process of receiving these pass through funds and maintains audit compliance*.

Funds can only be re-granted to your team for costs directly associated with the FIRST Program. FIRST cannot disburse funds directly to the Team’s or School’s vendors/providers due to the IRS Form W-9 needs and the potential volume. A Regranting Application can be found Here

*Should the Grantor request a follow-up report on the exact use of the re-granted funds, it is the responsibility of the Grantee (School) to maintain adequate records to provide an accurate accounting.
