

McMaster FIRST Engineering Scholarship

Description & Eligibility

In partnership with FIRST, McMaster University is offering two McMaster FIRST Engineering Scholarships, each valued at \$5,000 (Canadian funds). The scholarships are awarded on a competitive basis, and are available to students who:

1. Have accepted an offer of admission to the Faculty of Engineering for the 2017-18 academic year;
2. Have substantial involvement in a school robotics team;
3. Have a minimum average of 90% in the prerequisite courses for entrance into the Faculty of Engineering.
4. Have not been awarded any other Faculty of Engineering specific entrance award.

Application:

To be considered for this scholarship, please complete this form and mail it to the address below, post-marked no later than **April 28, 2017**. A letter of reference from the school's robotics team coach is also required and must be included in the application package.

Surname _____
