

In support of the **For Inspiration and Recognition of Science and Technology (FIRST)** mission, the university offers the FIRST Robotics Canada (FRC) Scholarship. The recipient of this award will have made notable contributions to an FRC team during their time in high school.

Criteria

- Minimum 85 per cent in best six 4U or 4M courses.
- Participated on a FIRST Robotics team during high school.
- Demonstrated personal leadership and/or significant contributions to the FIRST Robotics program.
- Applied for admission to an Engineering program at our university.
- In your final year of high school, entering your first undergraduate university degree.
- Canadian citizen or landed immigrant.

Application Process

1. Complete all sections of this application.
2. Submit **two** reference letters: one community and one school.
3. Applications must be submitted no later than **Thursday, February 25, 2021**.

Late and/or incomplete applications will not be reviewed, nor will you be notified.

Important: To be considered for this award, you must have an official application to the university on file. Please apply through the Ontario Universities' Application Centre, at ouac.on.ca.

References

Reference letters are used as an important means for determining the quality of your application. In order for your application to be complete, you must submit **two reference letters**; one community and one school reference.

Tips for an effective reference letter

Submission of references:

Closely following the criteria in the tip sheet above, completed references can be **mailed** to the Student Awards and Financial Aid office or emailed to connect@ontariotechu.ca no later than **Thursday, February 25**—the scholarship application deadline.
