Our Future: Built Better Together

FIRST Event Volunteer Checklist
As a FIRST® event volunteer, there is a lot to know about how to get started volunteering with FIRST and how to prepare yourself to be an effective FIRST volunteer. We are pleased to offer you this checklist to guide you on your way to joining the community.

Step 1 - What are the requirements to be an Event Volunteer and how can you meet them?
1. Create an online profile to apply for and manage your events on the dashboard.
2. At FIRST, student safety is always a priority. Every adult must become familiar with our Youth Protection Program. Take the time to watch our videos and read our Youth Protection materials.
3. All adult volunteers from the United States and Canada must complete background screening through our Volunteer Registration for the safety of all FIRST team members.
   a. U.S. Screening Process Step by Step
   b. Canadian Screening Process Video
   c. Youth Protection Screening Frequently Asked Questions
4. All FIRST teams cross-program are required to have two screened lead coaches/mentors for the entire season. These should be the two individuals who direct a team’s day-to-day activities.
5. Mentor/Coach Age Requirements:
   a. It is recommended that one be at least 25 years old.
   b. FIRST encourages veteran team members to serve as Youth Mentors to teams with younger participants. Youth mentors can be 13-17 years of age. To minimize safety risks, teams with Youth Mentors are still required to have two adult lead coaches/mentors that are 18 or older. A minor must have a parent or guardian give written permission to volunteer. In addition, the FIRST Consent and Release Forms will need to be signed by a parent or guardian in the Volunteer Registration system for any volunteer under age 18.

Step 3 - What to Know After Registering and Applying for an Event
1. Your Youth Protection Screening status can be accessed under your profile on the top right of the FIRST Dashboard.
2. Once you apply online, you may also want to contact the local FIRST partners in your area after you apply to be proactive, introduce yourself, and let them know of your interest.
3. You will receive a volunteer assignment email from your volunteer or event coordinator when you are assigned to a role.
4. If you have not been assigned or received any information about your role, you can message the volunteer coordinator for any event to which you have applied. See page 10 of the Volunteer Registration User Guide for more information on how to do that.
5. Communications will mainly come from event organizers or volunteer coordinators. They will be available to answer all your questions prior to and during the event. Once registered as a volunteer, communications may also be sent from your local Program Delivery Partner and FIRST Headquarters.
6. You will receive training specific to your assigned volunteer role either before or on the morning of the event. You should receive communications from your event organizer about whether training is required and when and how it is administered.
Step 4 – Review General Volunteer Training.

- **Volunteering with FIRST** is an introductory learning module that explores what FIRST is and what it means to volunteer with FIRST.
- **Inspiring Success Training** is for coaches, mentors, volunteers, partners, and other key stakeholders who work directly with students and are committed to creating diverse, inclusive, and equitable teams and are committed to creating a sense of belonging for students. This training is delivered in three modules. We recommend completing each module in one sitting.
- **The FIRST Volunteer Customer Service Training** will equip you with the tools needed to provide inspiration, safety, support, and a positive experience to our customers. Our customers are anyone who participates in FIRST including teams, parents, coaches/mentors, teachers, sponsors, spectators, and other volunteers.
- **Youth Protection Training** will enable you to recognize situations that may pose a threat to team member safety and learn the steps to take the actions necessary to prevent and report injuries.

Step 5 - Review General Volunteer Resources

- **Subscribe to the FIRST Volunteer Newsletter** - Stay up to date on the latest news for FIRST volunteers, including resources and exciting opportunities for volunteering.
- **FIRST Volunteer Handbook** - This handbook is full of everything you ever wanted to know about volunteering with FIRST!
- **Volunteer Registration User Guide** - Frequently asked questions regarding the Volunteer Registration system.
- **General Volunteer Resources Library Page** - These resources cover many aspects of volunteering for FIRST, such as registering to volunteer, completing your Youth Protection screening, and more!
- **Volunteer Experience Digital Content** - Exclusive digital swag for FIRST volunteers.

Step 6 – What to Expect the Day-of an Event

- **Volunteer Lounge with Food** - Generally, at a full-day or multi-day FIRST event, a volunteer lounge with food and refreshments away from the crowd will be supplied to show our appreciation for your time and to help re-energize you.
- **Volunteer T-Shirt and Name Badge** - Depending on the program and event, you may be given a T-shirt and name badge. These appoint you as a FIRST volunteer for the event. These items will grant you access to the areas you will need to access to complete your volunteer role and are also your ticket to the volunteer lounge for food and refreshments throughout the day if a volunteer lounge is provided.
- **Log Your Volunteer Hours** - You may want to log your volunteer hours after the event if you are volunteering for school credit, for your employer, or for other
reasons. Refer to the Volunteer Registration User Guide on how to record your contribution.
